The Collins Primary Learner's English Dictionary is a brand new, illustrated dictionary aimed at learners of English aged 7 and over.

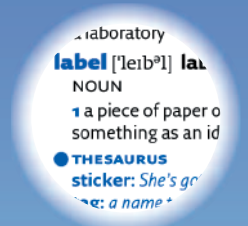

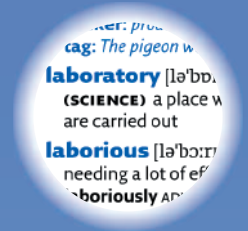

The dictionary has been specially created for primary school students, whose first language is not English, but who attend English-language schools

- Over 8,000 entries and over 15,000 references and definitions
- Hundreds of line drawings illustrate key terms
- Full-colour 16-page illustrated supplement of essential topics
- Full coverage of curriculum vocabulary that children studying in English at school will need to learn
- Covers all the essential words, phrases and idioms that students need to learn
- Clear definitions and simple examples show learners how English is really used
- Includes International Phonetic Alphabet (IPA)
- Aims to build a young learner's confidence in writing and speaking English inside and outside the classroom

Developed in association with teachers, the Collins Easy Learning Study Dictionary takes a new approach to language learning for Junior Secondary students. Includes an innovative addition of an embedded thesaurus.

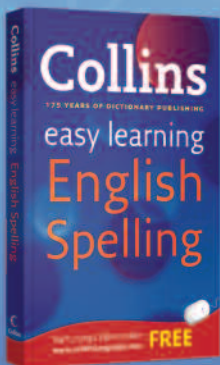

- Clear, easy-to-use unique layout and full sentence definitions
- IPA pronunciations
- Special treatment for frequently used words
- Examples to show context for every thesaurus synonym
